India celebrates National Sports Day on 29 August every year to commemorate the birth anniversary of hockey legend Major Dhyan Chand.

IMPORTANT FACTS -

- The day raises awareness about physical activity, sports and overall health.
- The day is also dedicated to the eminent sports persons and sports champions of India, who have made a significant contribution to the sport to make the country proud.
- The Ministry of Youth Affairs and Sports will organize the 'Meet the Champion' initiative in 26 schools across the country on the occasion of National Sports Day.
- Some prominent athletes including Commonwealth Games and World Championships gold medalist Nikhat Zareen, Paralympic and Commonwealth Games medalist Bhavna Patel, Tokyo Olympic and Commonwealth Games medalist Manpreet Singh will be part of the initiative.
- Theme of 2022 - '**Meet the Champion**'

History of the day :

- The first National Sports Day was celebrated in India on 29 August 2012.
- Major Dhyan Chand, widely known as 'Hockey Wizard' and 'The Magician', was born on August 29, 1905 in Uttar Pradesh and National Sports Day is celebrated to commemorate his birthday.

ADDITIONAL INFORMATION -

Significance of the day :

- Its primary objective is to promote awareness about the importance of sports in the daily life of all citizens and to be physically active.
- Various programs, seminars etc. are also organized by the government to increase awareness about the importance of physical activities and sports in life.
- The day is used as a platform to launch various sporting schemes.

About Major Dhyan Chand :

- He was a member of the Indian Men's Hockey team.
- He was born in Allahabad (Prayagraj) in Uttar Pradesh on August 29, 1905.

- He was instrumental in helping India complete its first hat-trick of Olympic gold medals with victories at the 1928, 1932 and 1936 Summer Olympics.

2. Women's Equality Day (Aug. 27, 2022)

Every year 26 August is celebrated as Women's Equality Day with the aim of strengthening the status of women all over the world and giving them equal rights and respect as men in every sphere of society.

IMPORTANT FACTS -

- Celebrating this day started in America but now many countries including India celebrate Women's Equality Day.
- On August 26, 1920, in America, women got the right to vote for the first time through the 19th Constitutional Amendment.
- Earlier there women had the status of second class citizens.
- From the year 1971, 26 August was celebrated as 'Women's Equality Day' due to the efforts of Bella Abzug, a woman lawyer who constantly struggled to get equal status for women.
- New Zealand is the first country in the world to introduce 'Women's Equality' in the year 1893.

Women rights in india :

1- Equal pay right :-

- There can be no gender discrimination in the payment of income or wages under this law. That is, any working woman has the right to get a salary equal to the man working in that post.

2- Maternity Benefit Law :-

- Under this Act, implemented in 1961, a working woman has the right to take 6 months leave from office in the event of becoming a mother. The company cannot deduct the salary of a female employee on maternity leave or leave during pregnancy.

3- Right to Property :-

- Sons are considered to be the total lineage of the father and the family in India. However, under the Hindu Succession (Amendment) Act, 2005 both the son and the daughter have equal rights over the father's property or ancestral property.

4-Right not to be identified :-

- The Indian law gives women the right to protect their privacy. Under this, if a woman is a victim of sexual harassment, she can keep her identity confidential and can record her statement alone in the presence of a district magistrate and a woman police officer.

3. 38th Ministerial Meeting of India-Bangladesh Joint Rivers Commission (Aug. 27, 2022)

The 38th Ministerial Meeting of the India-Bangladesh Joint Rivers Commission was held in New Delhi on August 25, 2022.

IMPORTANT FACTS -

- The Indian delegation was chaired by Union Minister of Jal Shakti **Gajendra Singh Shekhawat** and the Bangladesh delegation was led by Minister of State for Water Resources **Zaheed Farooq**.
- The two countries discussed a wide range of issues related to Ganga, Teesta and several smaller rivers during the meeting.
- The two sides also discussed the exchange of data and information related to floods, river-bank conservation works, general basin management and India's river interlinking project.
- Bangladesh requested for the early completion of the long pending Teesta water sharing treaty.
- Both sides also finalised a draft Memorandum of Understanding to share the waters of the **Kushiyara River** on an interim basis.
- Both sides welcomed the finalization of the design of the **Feni River** Water Drawing Site and its technical infrastructure to meet the drinking water requirements of Sabroom Town in Tripura.
- It is noteworthy that a Memorandum of Understanding was signed between the two countries in this regard in October 2019.
- This meeting was held after a gap of 12 years

Rivers between India and Bangladesh :

- India and Bangladesh share **54 rivers**.
- All are part of the drainage system of the Ganga-Brahmaputra-Meghna (GBM) basin.
- The Padma (Ganga), Jamuna (Brahmaputra) and Meghna (Barak) and their tributaries play an important role in maintaining food and water security in Bangladesh.
- The dispute between India and Bangladesh regarding water resource allocation dates back to the time when Bangladesh was East Pakistan.

- In 1961, India began construction of the **Farakka Barrage** which was to be operational by April 1975.
- When India began its preliminary planning for the project, Pakistan expressed concerns over the potential effect of the project on East Pakistan.

Joint Rivers Commission (JRC) :

- It was constituted in 1972 between India and Bangladesh.
- It is a bilateral mechanism to address issues of mutual interest on common / border / transboundary rivers.

6. World Humanitarian Day (Aug. 20, 2022)

World Humanitarian Day is celebrated every year on 19th August in honor of those who have sacrificed their entire lives in the service of humanity.

IMPORTANT FACTS -

- Its aim is to spread awareness about the need for humanitarian aid around the world.
- The day is a campaign by the United Nations Office for the Coordination of Humanitarian Affairs and Humanitarian Partners.
- Theme of World Humanitarian Day 2022 - '**It takes a village**'.

Background :

- On 19 August 2003, a bomb attack on the Canal Hotel in Baghdad, Iraq, killed 22 humanitarian aid workers.
- The special representative of the UN Secretary-General for Iraq, Sergio Vieira de Mello, was also killed in the attack.
- In 2008, five years after the attack, the General Assembly passed a resolution to designate 19 August as World Humanitarian Day.

Significance of the day :

- The day serves as a remembrance of the sacrifices made by people for humanitarian causes and needs.
- This year the day aims to draw attention to the selfless service of thousands of volunteers who provide immediate medical care, food, shelter and protection to people during crises.

Need of humanitarian service :

- As per UN estimates, 274 million people will need humanitarian aid and protection in 2022.
- This number has seen a significant increase since 2021 when the figure stood at 235 million, the highest in the past several decades.
- The United Nations and allied organizations aim to help the 183 million people most in need of humanitarian aid in 63 countries, which will require \$41 billion.

7. World Photography Day (Aug. 19, 2022)

World Photography Day is celebrated every year on 19 August.

IMPORTANT FACTS -

- The day is an annual, worldwide celebration of the art, craft, science and history of photography.
- Photography is one of the most important art forms, it is a means of expressing one's feelings and personal expression by pictures.
- There is a famous saying of Henrik Ibsen in which he said, 'A picture is worth a thousand words'.
- Sometimes pictures express feelings more effectively than words.
- The first permanent photograph of an object was taken in year 1826 by the Frenchman Joseph Nicephore Niepce.

Theme of World Photography Day 2022 :

- Theme 2022 - "**Pandemic Lockdown through the lens.**"
- This theme sheds light on how we view the pandemic-induced lockdown through the camera or lens.
- The lockdown was imposed due to the Corona epidemic and during that period many people learned the wonderful skills related to photography.

History of World Photography Day :

- World Photography Day celebration started in France on January 9, 1839.
- At that time a photography process was announced which was called the dagorotype process and this process is today considered to be the world's first photography process.
- It was invented by Joseph Nicephore and Louis Douger, who were the native of France.
- **On August 19, 1839, the French government announced this invention and got its patent.**
- To remember this forever, 'World Photography Day' is celebrated every year on 19th August.

8. World Organ Donation Day (Aug. 16, 2022)

Every year 13 August is celebrated as World Organ Donation Day across the world with an aim to raise awareness about organ donation.

Important facts

- Apart from this, "National Organ Donation Day" is celebrated on 27 November every year in India.
- This year's theme is "let's pledge to donate organs and save lives".

Importance

- This day is celebrated to dispel the myths of organ donation.
- It wants to encourage people to donate their healthy organs after death as it will save more lives.
- Its aim is to help people realise that many people lose their lives due to unavailability of healthy organs. Thus, voluntarily donating your healthy organs can change the lives of many people.

History of world organ donation

- The first temporarily successful transplant of a human kidney was performed by Jean Hamburger in Paris in 1953.
- A kidney was transplanted from the mother to a 16-year-old child.
- However, the first long-term successful kidney transplant was performed in the US in 1954.
- This successful transplant was performed by Dr. Joseph Murray.
- For this, Dr. Joseph Murray received the "Nobel Prize for Physiology and Medicine" in the year 1990.
