### **1. Maharashtra to confer first 'Udyog Ratna' award to Ratan Tata; Three more awards for entrepreneurs announced ( Aug. 2, 2023 )**

Maharashtra Industries Minister Uday Samant will present the first 'Udyog Ratna' award to veteran industrialist and Tata Sons Chairman Emeritus Ratan Tata.

#### **An Overview of the News**

- Along with the Udyog Ratna award, the Maharashtra government will introduce three other awards. **One award will be given to a woman entrepreneur, second to a Marathi entrepreneur and third to a young entrepreneur from the state.**
- The Udyog Ratna Award is equivalent to the prestigious Maharashtra Bhushan Award and will be given to Ratan Tata for the first time.
- The main objective behind the Maharashtra Udyog Ratna Awards is to **acknowledge and honour individuals and organisations that have made noteworthy contributions to various sectors, such as business, industry, education, real estate, tourism, financial services, fashion, electronics, agriculture, banking, IT, food items, and health, within the state of Maharashtra.**

#### **Ratan Tata has been honoured with several prestigious awards for his contributions:**

- He was awarded the Padma Vibhushan in 2008 and the Padma Bhushan in 2000, both of which are India's highest civilian awards.
- In a recent remarkable achievement, Ratan Tata was conferred with the 'Order of Australia' award, Australia's highest civilian honour.

#### **About Maharashtra**

- It is a state located in the western part of India and covers a significant part of the Deccan Plateau.
- Chief Minister - Eknath Shinde
- Governor - Ramesh Bais
- Official Animal - Indian giant squirrel
- Official Bird - Yellow-footed Green Pigeon
- Official Dance - Lavani

### **2. Shankari Chandran honoured with Miles Franklin Literary Award for novel "Tea Time at Cinnamon Gardens" ( July 28, 2023 )**

Sri Lankan-born Australian author Shankari Chandran has been awarded the prestigious Miles Franklin Literary Prize in 2023 for the novel "Tea Time at Cinnamon Gardens".

**An Overview of the News**

- Ten years earlier, he had encountered difficulty publishing his first book, as publishers doubted its appeal to the local Australian market, as it was not "Australian" enough.
- Chandran's award-winning novel, titled 'Tea Time at Cinnamon Gardens', revolves around themes of family, memories, community, race and highlights Australia's complex relationship with multiculturalism and the consequences of colonialism.
- The novel has been hailed as an inter-generational epic that explores the complexities of Australia's multicultural society and the miseries of post-colonialism.
- Chandran's story emphasises that our personal stories play an important role in shaping us as individuals and the fabric of society.
- Remarkably, 'Tea Time at Cinnamon Gardens' is Chandran's third published novel, which shows his growth and dedication as a writer.

**Miles Franklin Literary Award:**

- It is an annual award given to a novel of the highest literary merit that explores some aspect of Australian life.
- **The judging panel for this year's award included:**
  - Richard Neville - State Library of NSW Mitchell librarian and Chair
  - Bernadette Brennan - author
  - Mridula Nath Chakraborty - translator
  - James Ley - critic
  - Elfie Shiosaki - poet
- The Miles Franklin Literary Award is widely regarded as one of the most prestigious literary awards in Australia.
- Previous winners of the award include acclaimed authors like **Thea Astley, Jessica Anderson, and Tim Winton**, among others.

**Seven-year-old-Indian-Moksha-Roy-receives-'Points-of-Light'-award-in-UK**  
Indian-origin seven-year-old **Moksha Roy** has been honored with the **British Prime Minister's 'Points of Light'** award.

**An Overview of the news:**

- Indian-origin Moksha Roy has been working for the **United Nations' sustainable initiative against microplastic pollution** since she was just three years old.
- **British Deputy Prime Minister Oliver Dowden** presented the award to seven-year-old Moksha Roy in the third week of July.

- Moksha Roy has been given the title as the world's youngest sustainability advocate.
- Moksha is recognized for her work in several **sustainable campaigns including raising funds to help children** in need.
- Moksha's parents **Ragini Roy and Sourav Roy** said that their daughter's effort proves that even small children in the society can play an important role in combating climate change.

#### **4. Professor Thalappil Pradeep honoured with Eni Award ( July 20, 2023 )**

Professor-Thalappil-Pradeep-honoured-with-Eni-Award

Professor Thalappil Pradeep of IIT Madras has received the prestigious 'Eni Award' for scientific research in energy and environment.

##### **An Overview of the News**

- The Eni Award was established in 2007 and is a globally recognized honour.
- Professor Pradeep's research focuses on cost-effective and clean water solutions using advanced nanoscale materials.
- His groundbreaking work led to the discovery of sustainable materials that remove toxic pollutants from water.
- These water purification technologies benefit 1.3 million people in India every day.
- The President of Italy will confer the Eni Award on Professor T. Pradeep.

##### **About the Eni Award**

- They are awarded in three categories: Energy Transitions, Energy Frontiers and Advanced Environmental Solutions.
- Yu Huang from the University of California (Los Angeles, USA) and Jeffrey R. Long from the University of California (Berkeley, USA) were awarded in the Energy Transition category.
- Matthew Rosensky from the University of Liverpool (UK) received the award in the Energy Frontiers category.
- The primary purpose of the Eni Award is to promote and recognize unprecedented progress in energy efficiency, renewable energy, decarbonization and environmental protection.
- The purpose of this award is to inspire and support the work of young researchers in these important areas.

#### **5. President conferred Bhoomi Samman 2023 ( July 19, 2023 )**

President-conferred-Bhoomi-Samman-2023

On July 18, 2023, Indian President **Draupadi Murmu** presented the "**Bhoomi Samman**" **2023** at a function organized by the **Union Ministry of Rural Development** at Vigyan Bhawan in **New Delhi**.

**An Overview of the news:**

- The awards were received by the **State Secretaries and District Collectors** along with their teams who have shown excellence in achieving completion of major components of the **Digital India Land Records Modernization Program (DILRMP)**.

**Honor to the secretaries of nine states and officers of 68 districts:**

- Officers of the team of total 68 districts including nine secretaries of **Odisha, Madhya Pradesh, Gujarat, Bihar, Assam, Chhattisgarh, Jharkhand, Tripura and West Bengal** were honored at the Bhoomi Samman-2023 function held at Vigyan Bhawan, New Delhi.

**Most awards to Odisha and Madhya Pradesh:**

- Among these, 57 officers from 19 districts of Odisha, 35 officers from 15 districts of Madhya Pradesh, who received maximum awards, were awarded Bhoomi Samman by the President.

**Digital India Land Records Modernization Program (DILRMP):**

- DILRMP was launched by the **Union Ministry of Panchayati Raj** in **August 2008** for the digitization of land records.

**Objective of DILRMP:**

- Modernization of land records management,
- To reduce the scope of land/property disputes,
- Increase transparency in the land records maintenance system and
- To facilitate eventual move towards guaranteed adjudication rights for immovable properties in the country.

**Main components of DILRMP:**

- Change of land ownership;
- Digitization of maps and integration of curriculum and spatial data;
- Survey/Re-survey and
- Computerization of all land records including original land records.

**Rural development is necessary for overall development:**

- Speaking on the occasion, President Murmu said that it was necessary to accelerate rural development for the overall development of the country, as the livelihood of the majority of the rural population depended on land resources.
- Transparency will increase with the digitization of a comprehensive integrated land management system in rural areas.

**Benefits to come:**

- Digitization of land records and its linkage with various government departments will help in proper implementation of welfare schemes.
- Now this document will be protected from damages caused by calamities like flood and fire.
- This will reduce the time wasted by the administration and the judiciary in disputes related to the land of a large population of the country.
- Through digitization and information connectivity, the energy of people and institutions, which used to be spent in resolving disputes, will now be used for development.

**Land Parcel Identification Number:**

- Under the **Digital India Land Information Management System**, a unique **Land Parcel Identification Number** is being provided, which can be used like an Aadhaar card.
- This number will be helpful in making and implementing new welfare schemes along with proper use of land.
- Linking e-courts with the land records and registration data-base would have many benefits.
- Digitization of land will bring transparency in administration.
- Unethical and illegal activities related to land will be curbed.
- Now getting land related information in a free and convenient way will have many other benefits.
