1. Union Ministry of Food Processing & Agriculture launches Convergence Portal (Sept. 22, 2022)

The Government launched a Joint Convergence Portal for various schemes of the Ministry of Food Processing and Agriculture on 21st September.

IMPORTANT FACTS -

- The portal has been jointly launched by the Ministry of Agriculture and Farmers Welfare (**MoAFW**) and the Ministry of Food Processing Industries (**MoFPI**).
- The portal has been launched between the **Agriculture Infrastructure Fund (AIF)**, **Pradhan Mantri Micro Food Processing Enterprises (PMFME) Yojana** and **Pradhan Mantri Kisan Sampada Yojana (PMKSY)**.
- The portal was launched in the presence of Union Agriculture Minister Narendra Singh Tomar, Union Food Processing Industries Minister Pashupati Kumar Paras and Minister of State for Agriculture and Farmers Welfare Kailash Chaudhary.
- This initiative is going to add a new chapter in the life of micro units engaged in food processing.

Agriculture Infrastructure Fund :

- It was launched in 2020 as a stimulus package against the Covid-19 crisis.
- Its objective is to facilitate medium-long-term debt financing for investment in viable projects for post-harvest infrastructure management and community farm assets.

Pradhan Mantri Micro Food Processing Enterprises (PMFME) Yojana :

- The Ministry of Food Processing launched the Centrally Sponsored PMFME Scheme on June 29, 2020.
- Its objective is to enhance the competitiveness of existing individual micro enterprises in the unorganized sector of the food processing industry and to promote formalization of the sector.
- Under this scheme, financial, technical and commercial assistance is provided for the up-gradation of micro food processing enterprises in the country.

Pradhan Mantri Kisan Sampada Yojana :

- It is a Central Sector Scheme of the Ministry of Food Processing Industries.
- The objective of the scheme is to create modern infrastructure with efficient supply chain management from farm gate to retail outlet.

2. Union Minister Anurag Thakur launches capacity building training programme (Sept. 22, 2022)

Youth Affairs and Sports Minister Anurag Thakur on 21 September launched a capacity building training programme in New Delhi for 14,000 youth volunteers of Nehru Yuva Kendra Sangathan.

IMPORTANT FACTS -

- The aim of this ambitious online training program is to enhance the life skills of young volunteers so that they can contribute effectively to national development.
- The content of the training program has been carefully crafted and includes in-depth exercises on communication skills, leadership skills and decision making.
- This will help create the world's largest skilled workforce.

Nehru Yuva Kendra Sangathan :

- It was established in 1972.
- Its objective is to provide rural youth avenues to take part in the process of nation building as well providing opportunities for the development of their personality and skills.
- It is working on various fronts of youth development with various youth programs of the Ministry of Youth Affairs and Sports and special programs in coordination and collaboration with other Ministries.

3. SCALE App launched for skill development in leather sector (Sept. 21, 2022)

Union Minister for Education and Skill Development Dharmendra Pradhan launched the SCALE (Skill Certification Assessment for Leather Employees) app at Chennai on 20 September 2022.

He inaugurated the SCALE app while on a visit to **the CSIR-Central Leather Research Institute, Chennai.**

IMPORTANT FACTS -

The SCALE App

- The app has been developed by the Leather Skill Sector Council. It provides a one-stop solution for the skilling, learning, assessment, and employment needs of the leather industry.

- The app allows people from all age groups interested in leather craft to access online live streamed classes from the state-of-the-art studio of the Leather Skill Sector Council office.

Leather Industry in India :

- India is the **second largest producer and consumer of footwear** in the world after China.
- The Leather industry in India accounts for around 13% of the world's leather production.
- The country accounts for 9% of the world's footwear production.

ADDITIONAL INFORMATION -

The major production centers for leather and leather products in India are located in the states of :

- Tamil Nadu – Chennai, Ambur, Ranipet, Vaniyambadi, Vellore, Pernambut, Trichy, Dindigul and Erode.
- West Bengal – Kolkata.
