### **2. Vedanta buys Nickel and Cobalt producing company Nicomet ( Dec. 21, 2021 )**

- Anil Aggarwal company Vedanta Ltd. has bought the **Goa based Nickel and Cobalt producing company Nicomet.**
- **This will make Vedanta the sole company in India to produce nickel.**
- Nickel, a strategic mineral, is a vital input for manufacturing stainless steel and batteries for electric vehicles (EVs).
- Similarly, cobalt is a key element for lithium-ion batteries for EVs and energy storage systems, besides other use cases such as a superalloy for steelmaking.
- India's demand for nickel is pegged at 45 Kilo Tonne Per annum (KTPA), which is entirely met through imports. Nicomet has a capacity to produce 7.5 KTPA nickel and cobalt.
- **India imports its nickel mainly from Guinea and Australia.**

### **3. Government allows Palm oil import without license to bring down the prices ( Dec. 21, 2021 )**

- The Government of India has allowed traders to import refined palm oil without licence for one more year till December 2022, in a move aimed at increasing domestic supplies and bringing down the high prices of edible oils.
- India is the largest importer of edible oil/palm oil in the world.
- The major source of Palm oil imports for India are Indonesia followed by Malaysia
- The largest producer of Palm oil in the world is Indonesia followed by Malaysia.
- The largest producer of palm oil in India is Andhra Pradesh followed by Telangana.

**Palm oil is the preferred oil in India's Hotel/Recreation and Catering sector as it is comparatively cheaper than other soft oils such as soybean and sunflower, has a longer shelf life, and is stable at high temperatures used in frying. Meanwhile groundnut, soybean and mustard oils are popular household cooking oils in the country.**

### **4. SEBI suspend future trading in seven agricultural commodities ( Dec. 21, 2021 )**

- The Securities Exchange Board of India (SEBI) has suspended futures and options trading in seven agricultural commodities; **Paddy (non-basmati), Wheat, Bengal gram (chana dal), mustard seeds, soyabean, crude palm oil and green gram (moong dal)** till December 2022.
- This was done by SEBI after the Ministry of Finance issued a directive to the regulator on December 19, 2021.
- The government fears that the speculation in the future trading in these agricultural commodities will lead to rise in the prices of the agricultural commodities which will further increase food inflation in India.
- The Reserve Bank of India has targeted Consumer inflation at 5.3% for the current financial year 2021-22.
