5. China Withdraws Proposal Against AUKUS Nuclear Submarines Plan At IAEA (Oct. 1, 2022)

India's diplomatic prowess at the **International Atomic Energy Agency (IAEA)** forced China to withdraw its proposal against **AUKUS (United Group of Australia, Britain and America)** on 30 September.

Important facts

- China tried to get the resolution passed at the International Atomic Energy Agency (IAEA) general conference held in Vienna from 26 to 30 September 2021.
- The **AUKUS (Australia, UK and US)** Security Partnership had announced that it would facilitate Australia to acquire technology to build nuclear-powered submarines.
- On 30 September, China argued that the initiative violated its responsibilities under the Nuclear Non-Proliferation Treaty (NPT). It also criticized the role of the IAEA in this respect.
- India's well-considered role helped many countries to take a clear stand on the Chinese proposal.
- The Indian Mission to the IAEA in Vienna worked closely with many IAEA member states in this regard.
- When China realized that its proposal would not get majority, it withdrew its draft resolution on 30 September.

AUKUS Alliance

- In September 2021 Australia, United States and United Kingdom (AUKUS) made an announcement to develop hypersonic missiles.
- They will work together through a security alliance called AUKUS to develop hypersonic missiles.
- The move comes amid growing concerns from the US and allies about China's growing military influence in the Pacific.

6. PFRDA observe 1 October as the National Pension System Diwas (Oct. 1, 2022)

The **Pension Fund Regulatory and Development Authority (PFRDA)** is observing **1st October** as the **National Pension System Diwas (NPS Diwas)** to promote pension and retirement planning among the citizens of India.

Important facts

- PFRDA is promoting this campaign on its social media platforms.
- PFRDA is organizing this campaign under '**Azadi Ka Amrit Mahotsav**'.
- The objective of the pension regulator, PFRDA is to encourage every citizen, be it working professionals or self-employed professionals, to plan for building a pension corpus after retirement to ensure a financially sound future.
- NPS subscribers will get the benefit of tax deduction on their contributions and regular income after retirement.

About PFRDA

- It is the regulatory body under the jurisdiction of the **Ministry of Finance, Government of India** for overall supervision and regulation of pension system in India.
- The Pension Fund Regulatory and Development Authority Act was passed on 19 September 2013 and was notified on 1 February 2014.
- It regulates the National Pension System (NPS), subscribed by employees of Govt of India, State Governments and by employees of private institutions/organizations and unorganized sectors.
- As on 24 September, 2022, total number of subscribers under NPS is 571.86 lakhs (5.72 crores) and total Assets Under Management (AUM) is 7,99,467 crore (7.99 trillion).

7. India abstains on UNSC resolution condemning Russia's 'referenda' in Ukraine (Oct. 1, 2022)

India abstained from voting on a draft resolution tabled by the **US and Albania** at the **United Nations Security Council (UNSC)** on September 30 that condemned Russia's illegal referendum and its **occupation of Ukrainian territories**.

Important facts

- The resolution demanded that Russia immediately withdraw its forces from Ukraine.
- **15 Security Council countries** were supposed to vote on this resolution, but Russia used a veto against it, due to which the resolution could not be passed.
- **10 of the 15 Security Council countries** voted in favor of the resolution, while **China, Gabon, India and Brazil** did not participate.

- UN Secretary-General **Antonio Guterres** said that the occupation of another country's territory by threat or use of force is a violation of the United Nations Charter and the principles of international law.
- India's position has been clear and consistent from the very beginning of this conflict.
 - She said that the global order is based on the principles of the United Nations Charter, international law and respect for sovereignty and the territorial integrity of all states. Rhetoric or escalation of tension is not in anyone's interest.
 - On 30 September, Russian President Putin submitted his claim to the Ukrainian territories of **Donetsk, Luhansk, Kherson and Zaporizhzhya**.
 - It was also decided by the Security Council that Russia "immediately, completely and unconditionally" withdraw all its military forces from the territory of Ukraine.

About UNSC :

- It was established in **1945** by the United Nations Charter.
- It is one of the six major organs of the United Nations.
- The other 5 organs of the United Nations are - the United Nations General Assembly (UNGA), the Trusteeship Council, the Economic and Social Council, the International Court of Justice and the Secretariat.
- It has five permanent members - **China, France, Russia, the United Kingdom, and the United States**, collectively known as the P5.
- **India is currently a non-permanent member of the UNSC** for a two-year term, which expires in December.
- Any one of them can veto a resolution.
- Headquarters - **New York**

8. AFSPA extended to 6 months in Nagaland and Arunachal Pradesh (Oct. 1, 2022)

The Central Government has extended the **Armed Forces Special Powers Act (AFSPA)** for another **6 months** in the disturbed areas of **12 districts of Nagaland and Arunachal Pradesh**.

Important facts

- According to the notice issued by the Union Home Ministry, AFSPA will be fully implemented in **3 districts of Arunachal and 9 districts of Nagaland**.
- Nagaland's nine districts where AFSPA will be implemented from October 1 - **Dimapur, Niuland, Chumukedima, Mon, Kiphire, Noklak, Phek, Peren and Zunheboto** - and **16 police stations** in four other districts - Kohima, Mokokchung, Longleng and Wokha.

- In Arunachal Pradesh, AFSPA will be applicable in three districts - **Tirap, Changlang and Longding** and the areas falling within the jurisdiction of Namsai and Mahadevpur police stations in Namsai district.
- Nagaland has 16 districts, Arunachal Pradesh has 26.

These areas of the states were removed from AFSPA

- AFSPA was completely withdrawn in **Tripura in 2015, Meghalaya in 2018** and **Mizoram in the 1980s**.
- Due to the improvement in the security situation, AFSPA was removed completely in 23 districts of Assam and partially in one district with effect from April 1, 2022.

What is AFSPA?

- Armed Forces Special Powers Act, (AFSPA), 1958, gives armed forces the power to maintain public order in **"disturbed areas."**
- It came into force decades ago in the context of insurgency in the northeastern states.
- It provides **"special powers"** to the army, air force and central paramilitary forces.
- The Act provides that if "reasonable suspicion exists", the armed forces may also arrest any person without warrant; May enter or search premises without warrant and prohibit possession of firearms.

What are the Disturbed Areas?

- A disturbed area means which is declared by notification under **Section 3 of the AFSPA**.
- A region may be disturbed because of differences or disputes between members of different, racial, religious, language or regional groups or castes or communities.
- The Central Government or the Governor of the State or administrator of the Union Territory have power to declare the whole or part of the State or Union Territory as a disturbed area.

9. AFSPA extended to 6 months in Nagaland and Arunachal Pradesh (Oct. 1, 2022)

10. PM inaugurates world's first CNG terminal in Gujarat's Bhavnagar (Sept. 30, 2022)

Prime Minister Narendra Modi laid the foundation stone for the **"world's first CNG (Compressed Natural Gas) terminal at Bhavnagar in Gujarat** on 29 September.

Important facts

- It will be “**world’s first CNG terminal** along with the **world's fourth largest lock gate system**.
- It is being constructed by a consortium of the Mumbai-based **Padmanabhan Mafatlal Group and the UK's Foresight Group**.
- The CNG project is a part of an ambitious mega project of brownfield expansion of Bhavnagar port.
- There are plans for a proposed development of a brownfield port terminal in the northern part of the existing Bhavnagar port in Gujarat.
- The primary objective of the CNG terminal is to develop CNG receiving infrastructure for India through the Gujarat coast.
- The port will also have a container terminal, multi-purpose terminal and liquid terminal, which will be connected to the northern regions of the country by the existing road and railway network.

What is CNG?

- CNG, also known as compressed natural gas, is an eco-friendly alternative to gasoline.
- It is a fuel gas mainly composed of **methane (CH₄)**.
- CNG fuel is safer than gasoline and diesel because it is non-toxic and does not contaminate groundwater.
- The use of CNG fuel is becoming more popular in both commercial and non-commercial vehicles.
