- Area-wise **Madhya Pradesh** has the largest forest cover in the country followed by **Arunachal Pradesh**, Chhattisgarh, Odisha and Maharashtra.
- Union Minister for Environment, Forest, and Climate Change: **Bhupender Yadav**

4. Piyush Goyal attends the first in-person Ministerial meeting of the Indo-Pacific Economic Forum in Los Angeles (Sept. 9, 2022)

Union Commerce and Industry Minister Piyush Goel is attending the two day (8-9 September) first in person Ministerial meeting of the Indo-Pacific Economic Forum in Los Angeles, United States.

The meeting is being co- hosted by the U.S. Trade Representative **Katherine Tai** and the US Commerce Secretary **Gina Raimondo**.

The first Virtual meeting was held on **26 June 2022** which was hosted by the United States.

The meeting hopes to work out an agreement on the four pillars of the IPEF.

IMPORTANT FACTS -

Indo-Pacific Economic Framework for Prosperity (IPEF) :

- The United States of America President **Joe Biden** launched the Indo-Pacific Economic Framework for Prosperity (IPEF) on 23 May 2022 in **Tokyo, Japan**.
- 14 countries **Australia, Brunei, Fiji, Indonesia, India, Japan, Republic of Korea, Malaysia, New Zealand, the Philippines, Singapore, Thailand, and Vietnam** along with the **United States** are members of IPEF.
- Together, these countries represent 40% of world GDP.

Aim of the IPEF :

- It is not a trade bloc where tariffs on goods and services amongst the member countries are reduced to boost trade.
- IPEF is an attempt by the US to offer an alternative supply chain to the countries of Asia-Pacific region against China.
- IPEF will focus on improving the supply chain in the economy so that it can withstand disruption as witnessed during covid pandemic and will make the economy stronger and lower the cost of production .
- To reduce over reliance on China and to diversify the supply chain, the United States is promoting IPEF.

ADDITIONAL INFORMATION -

There are four pillars of IPEF :

- fair and resilient trade (including digital, labour, environmental and other standards);
 - supply chain resilience;
 - infrastructure, decarbonisation and clean energy; and
 - Tax and anti-corruption.
- The Indian government feels that this initiative of the US will help India become a part of the global supply chain. It hopes to attract a sizable global investment in the manufacturing sector as the world moves away from China.

5. Operation Unicorn for Queen Elizabeth II funeral (Sept. 9, 2022)

The 96 year old [Queen Elizabeth II](#) of United Kingdom died at her remote Highlands residence, Balmoral, in Scotland on 8 September 2022.

The whole of the United Kingdom is in mourning and Buckingham Palace has planned an elaborate funeral for her.

IMPORTANT FACTS -

Operation London Bridge or Operation Unicorn :

- According to Buckingham Palace if the Queen had died in London then the code name of her funeral would have been '**London Bridge**' .
- However as she died in Scotland the funeral has now been code named '**Operation Unicorn.**'
- The name was chosen because the unicorn is the national animal of Scotland and forms part of the royal coat of arms, along with the lion of England.

ADDITIONAL INFORMATION -

Another Important point to remember :

She was not only the Head of State of United Kingdom but also the Head of State of **14 other commonwealth countries** -Australia, Canada, New Zealand, Antigua and Barbuda, Bahamas, Belize, Grenada, Jamaica, Papua New Guinea, Saint Lucia, Solomon Islands, St Kitts and Nevis, and St Vincent and the Grenadines.

Buckingham Palace :

Buckingham Palace has served as the official London residence of the United Kingdom's Monarch since 1837 and today is the administrative headquarters of the Monarch.

Reflecting the growing security cooperation between the two sides, India and Japan announced plans for their first air force exercise as New Delhi backed Tokyo's efforts to reinforce its defence capabilities over the next five years.

IMPORTANT FACTS -

- This was announced after the meeting of Defence Minister Rajnath Singh with the Japanese Defence Minister Yasukazu **Hamada** held in Tokyo, Japan on 8 September 2022.
- Rajnath Singh arrived in Japan after his visit to [Mongolia](#).
- He also participated in [India-Japan 2+2 dialogue](#) involving the Defence and Foreign ministers of both the countries. India was represented by External Affairs minister **S.Jaishanker** and Defence Minister **Rajnath Singh** while Japan was represented by its Foreign Minister **Yoshimasa Hayashi** and Defence minister **Yasukazu Hamada**.

ADDITIONAL INFORMATION -***India -Japan military exercise :***

- At present both the countries conduct Dharma Guardian, JIMEX and Malabar exercise. Japan also participated in the MILAN naval exercise 2022 held in Visakhapatnam.
- **DHARMA GUARDIAN-2022**, an annual exercise between Indian Army and Japanese Ground Self Defence Force was held from 27 February -10 March 2022, Belgaum Karnataka.
- The last edition of the India - Japan Maritime Bilateral Exercise, **JIMEX**, between the Indian Navy (*IN*) and the Japan Maritime Self-Defence Force (JMSDF), was held in 2021 **Arabian Sea from 06 to 08 October 2021**.
- The last edition of **Malabar exercise** was held in 2021 involving the Australian, United States, Japanese and Indian Navy at sea of Philippines and Bay of Bengal.

7. India ranks 132nd out of 191 in UNDP's human development index (Sept. 9, 2022)

According to the United Nations Development Program (UNDP) report released on 8 September, India is ranked 132 out of 191 countries in the Human Development Index (HDI) 2021.

- **Switzerland** tops the rankings, followed by **Norway** at second and **Iceland** at third.
- South Sudan, Chad and Niger are at the bottom of the HDI scale.

IMPORTANT FACTS -

- In the **2020 report**, India had ranked **131st** among 189 countries.
- The report said that nearly 90 percent of countries have reported a decline in their HDI rankings in 2020 or 2021.
- Among India's neighbours, Sri Lanka (73rd), China (79th), Bangladesh (129th), and Bhutan (127th) rank above India, while Pakistan (161st), Nepal (143th) and Myanmar (149th) rank worse.
- India's latest HDI value is 0.633 which places the country in the medium human development category, lower than its value of 0.645 in the 2020 report.

- The reason for the decline in the ranking of more than 90 percent of the countries is the Covid-19 pandemic.
- The report raises concerns over growing polarization that is eroding democratic freedoms and human rights in many parts of the world.

Gender Inequality :

- The COVID-19 pandemic has also exacerbated gender inequality, which has risen by 6.7% globally.
- India has shown a slight improvement in its Gender Inequality Index value in the latest report as compared to the 2020 index (0.490 vs 0.493).
- The index measures inequality between women and men in three dimensions - reproductive health, empowerment and the labour market.

ADDITIONAL INFORMATION -

About Human Development Index :

- The United Nations Development Program (UNDP) published its first Human Development Report (HDR) in 1990.
- The report attempts to define and measure the level of development of economies.
- Three indicators of Human Development Report (HDR)

1. Health - Measured by the life expectancy at birth
2. Education - Measured by the mean of years of schooling
3. Standard of Living - Measured by GNI (Gross National Income/Product) per capita at 'Purchasing Power Parity
