- **In 2005**, an agreement was signed to build **six Scorpene submarines** in India with the help of France.
- There has been an agreement between the Government of **France and India for 36 Rafale aircraft**.

### **About France**

- President: **Emmanuel Macron**
- Prime minister: **Élisabeth Borne**
- Capital: **Paris**
- Currency : **euro**

## **6. Minister Purushottam Rupala launches Animal Pandemic Preparedness Initiative (APPI) ( April 15, 2023 )**

Minister Purushottam Rupala launches Animal Epidemic Preparedness Initiative (APPI)

On 14 April, the **Minister of Fisheries, Animal Husbandry and Dairying, Purushottam Rupala** launched the **Animal pandemic Preparedness Initiative** to holistically address animal pandemics.

### **An Overview of the News**

- The **initiative aims to enhance the country's preparedness and response to animal pandemics** with a focus on **zoonotic diseases** that pose a threat to both animal and human health.
- The initiative will help in **improving veterinary services** and infrastructure, disease surveillance capabilities and awareness among farmers through community outreach.
- **World Bank funded Animal Health Systems Support for One Health** has also been launched, which aims to create an ecosystem for an improved animal health management system, covering five states.
- India is home to a diverse animal species and the livestock sector plays an important role in the country's economy and food security.
- The **Animal Pandemic Preparedness Initiative** is a proactive step to protect animal resources and ensure the safety and health of people.

### **About Zoonotic Diseases**

- **Definition:** Zoonotic diseases are infections that can be transmitted from animals to humans through various means such as direct contact, consumption of contaminated food or water, inhalation of droplets, or bites from infected animals.
- **Examples:** include rabies, anthrax, Ebola virus, salmonella, Lyme disease, and avian influenza.
- **Causes:** Can be caused by bacteria, viruses, fungi or parasites that are found in the environment or spread by animals.
- **Symptoms:** May include fever, fatigue, headache, muscle aches, diarrhoea, and respiratory symptoms.

## **7. Bharat Gaurav tourist train flagged off on the occasion of Dr BR Ambedkar's birth anniversary ( April 15, 2023 )**

Bharat Gaurav tourist train flagged off on the occasion of Dr BR Ambedkar's birth anniversary

Union Tourism Minister **G Krishna Reddy** and Social Justice and Empowerment Minister **Dr Virendra Kumar** flagged off the **Bharat Gaurav tourist train** on the occasion of **132nd birth anniversary of Dr BR Ambedkar from Hazrat Nizamuddin Railway Station in New Delhi** on 14 April.

### **An Overview of the News**

- **Bharat Gaurav Tourist Train** will showcase the **rich cultural heritage of India** and the life of BR Ambedkar along with promoting tourism.
- The government, under the leadership of Prime Minister Narendra Modi, has developed five places associated with Dr. Ambedkar as **Panchatirth**.
- During the 8-day tour, the train will cover cities including **New Delhi, Mhow, Nagpur, Varanasi and holy Buddhist sites like Sanchi, Sarnath, Gaya and Rajgir and Nalanda**.
- The theme-based tourist circuit train, Bharat Gaurav Train, is in line with the Government of India's initiative "**Ek Bharat Shreshtha Bharat**" and **Dekho Apna Desh to promote domestic tourism**.

### **Ek Bharat Shreshtha Bharat:**

- It was launched by the Prime Minister on **31 October 2015**, the **140th birth anniversary of Sardar Vallabhbhai Patel**, and was later announced in the 2016-17 budget speech of the Finance Minister.
- The objective of the program is **to promote mutual understanding among people of diverse cultures living** in different states and union territories in India.
- Every year, each State/UT will be linked with another State/UT for people-to-people contact. Through this **exchange, the knowledge of language, culture, traditions and practices** of different states will enhance understanding and bonding among them, thereby strengthening the unity and integrity of India.
- The added States/UTs will undertake a mission to enhance their cultural, educational and economic ties by engaging in a wide range of reciprocal activities covering areas such as **music, drama, cuisine, language, history, tourism etc**.

Annihilation of Caste, Buddha and his Dhamma, Who were the Shudras?, Untouchables: Who were they and why did they become Untouchables?

**8. NHA signs MoU with Nagarjunasagar-Srisailem Tiger Reserve ( April 15, 2023 )**

NHA signs MoU with Nagarjunasagar-Srisailem Tiger Reserve

The **National Highways Authority of India (NHA)** signed a **Memorandum of Understanding (MoU)** with the **Nagarjunasagar-Srisailem Tiger Reserve in Andhra Pradesh and Telangana.**

**An Overview of the News**

- The objective of the MoU is to improve the entry process for vehicles entering the forest area by facilitating a seamless and efficient system.
- The initiative proposes a FASTag based **payment system at forest entry points** to avoid long queues and delays.
- The benefit of collection of **Ecosystem Management Coordination Fee through FASTag** will be extended to various entry points of the Tiger Reserve.
- The partnership between the **Highways Management Company of India Limited and the Forest Department** is an important step towards promoting sustainable tourism and conserving natural resources.
- This partnership will help curb vehicular emissions at forest entry points, thereby contributing to environmental protection.

**About National Highways Authority of India (NHA)**

- It is an **independent organisation established in 1995** by the Government of India.
- NHA manages and maintains a vast network of **more than 50,000 km of National Highways across India**, which represents about 40% of the total length of National Highways in the country.
- NHA is responsible for **maintaining and upgrading the quality of National Highways in India** and ensuring their smooth operation for the benefit of road users.
- As a **nodal agency of the Ministry of Road Transport and Highways**, NHA plays a vital role in formulating policies related to highways and implementing them effectively.

Establishment - **1988**

Headquarters - **New Delhi**

Sector - **Indian National Highway System**

---

Corporate Address: A102, A Block, Sector 58, Noida, Uttar Pradesh-201301

Objective - **Development and maintenance of National Highways**

Parent Agency - **Ministry of Road Transport and Highways of India**

### **About Nagarjunasagar-Srisaillam Tiger Reserve**

- The Nagarjunasagar-Srisaillam Tiger Reserve, located in **Andhra Pradesh and Telangana**, is the largest tiger reserve in India, covering a total area of **3,728 km (1,439 sq mi)**.
- It was **established in 1983**.
- The tiger reserve is spread over five districts, which are **Nandyal, Prakasam, Palnadu, Nalgonda and Mehboob Nagar**.
- The tiger reserve is located inside the **Nallamala forest area**, which is known for its rich biodiversity and diverse flora and fauna.

### **9. Kolkata Metro becomes India's first metro train to run under river ( April 13, 2023 )**

Kolkata Metro becomes India's first metro train to run under river

On 12 April 2023, the Kolkata Metro reached Howrah from Kolkata through a river tunnel for the first time in India, carrying only officers and engineers. This tunnel is built across the Hooghly River.

#### **An Overview of the News:**

- Services on this route of Kolkata Metro will start from this year itself. Once the services start, Howrah will become the country's deepest metro station (33 meters below the surface).

#### **520 meter long tunnel:**

- The route from Howrah to Esplanade is about 4.8 km long, of which 520 m will be completed by tunneling under the Hooghly river. It will take about 45 seconds to cross this tunnel built across the Hubli river.
- The tunnel is 32 meters below the surface of the water. The entire length of this tunnel is 10.8 km underground.

#### **Tunnel built on the lines of Eurostar**

- This tunnel of Kolkata Metro has been built like the Eurostar trains passing through the Channel Tunnel in Europe between London and Paris.
- The work of digging this tunnel was completed by Afcons in four months (April-July 2017).

#### **Kolkata Metro Rail Corporation (KMRC):**

- The Kolkata Metro Rail was inaugurated on 24 October 1984 as India's first metro.
- Now again, for the first time in the country, the tunnel under the river has also been built here, the Kolkata Metro.
- The tunnel will remain like this for 120 years

**Based on the standard of tunnel seismic zone 3:**

- The Kolkata Metro tunnel has been designed according to seismic zone 3, the zone in which Kolkata falls.

**Kolkata metro tunnel age 120 years:**

- The Kolkata Metro tunnel is designed for a service life of 120 years. Not even a drop of water can enter the tunnels of the river.
- General Manager of Kolkata Metro Railway: **P Udaya Kumar Reddy**
- MD of Kolkata Metro Rail Corporation (KMRC): **H N Jaiswal**

**10. Solar Energy Corporation of India gets 'Miniratna Category-I' status ( April 12, 2023 )**

Solar Energy Corporation of India Limited (SECI)

**Solar Energy Corporation of India Limited (SECI)** has been accorded the **status of Miniratna Category-I Central Public Sector Enterprise (CPSE)** on 10th April, 2023.

**An overview of the news**

- Its formal announcement has been issued by the **Ministry of New and Renewable Energy, Government of India.**
- SECI has achieved this feat in a short span of time due to its **consistent performance, mobility and flexibility in operations.**
- SECI has played a central role in the rapid addition of RE generation capacity in the country and has contributed to the country's climate commitments, carbon reduction strategies and sustainable energy transition.
- It is making steady progress towards achieving the Prime Minister's '**Panchamrit**' **goals** and achieving 500 GW non-fossil fuel based non-fossil fuel based capacity by 2030.

**Solar Energy Corporation of India Limited (SECI)**

- It is a **Central Public Sector Undertaking (CPSU)** under the administrative control of the **Ministry of New and Renewable Energy (MNRE)**, set up on **20th Sept, 2011.**
- It is the only CPSU dedicated to the **Solar Energy Sector.**

- The company holds **Category 1 Power Trading Licence** and is active in this domain
- through trading of Solar Energy from the projects set up under the schemes being implemented by it.
  - So far, SECI has awarded renewable energy (RE) project capacity of over 56 GW.
  - SECI enjoys the **highest credit rating of AAA by ICRA.**
  - Managing Director - **Suman Sharma**
