1. World's first Vedic clock to be installed in Ujjain (Nov. 6, 2022)

[Madhya Pradesh](#) education minister Mohan Yadav laid the foundation stone of the world's **first Vedic Clock** at the 300-year-old Jiwaji Observatory in [Ujjain](#), Madhya Pradesh. The Jiwaji observatory was constructed by Maharaja Sawai Raja Jaisingh of Jaipur in 1719.

The clock to be built at an estimated cost of Rs 1.62 crore aims to make people familiar with the Vedic time calculation.

Vedic Clock

Elaborating on the Vedic clock the minister said that the Vedic clock will be based on Vedic calculation of the time, in which the 24 hours of the day are divided into Muhurats. The Vedic clock will be synced with the position of the Sun.

He said that there will be a dedicated mobile application for the readings of the Vedic Clock, and citizens will be able to use it on their smartphones, computers, televisions, and other devices.

He also said "the application will also have information on Vedic Hindu Panchang, planetary positions, Muhurats, astrological calculation, and predictions, etc.

Chief Minister of Madhya Pradesh: **Shivraj Singh Chouhan**
