Minister's speech

Speaking on the occasion the External Affairs Minister warned about the threat posed by the misuse of new and emerging technologies for terror activities, stressing the need for the international community to adopt measures to combat the threats.

"Internet and social media platforms have turned into potent instruments in the toolkit of terrorist and militant groups for spreading propaganda, radicalization and conspiracy theories aimed at destabilizing societies," he said in his keynote address.

United Nation Security Council Counter-Terrorism Committee

The Counter-Terrorism Committee was established by unanimous consent on 28 September 2001, in the wake of the 11 September terrorist attacks in the United States.

All the 15 Security Council members are part of the Counter-Terrorism Committee.

The Committee is tasked with monitoring the implementation of measures to enhance countries' legal and institutional counter-terrorism abilities, at every level, locally and internationally.
