1. External Affairs Minister S Jaishankar host a millet based lunch in New York for Top UN diplomats (Dec. 17, 2022)

External Affairs Minister S Jaishankar host a millet based lunch in New York

External Affairs Minister **S Jaishankar** hosted a millets based lunch in **New York** on 15 December 2022 for the United Nations Secretary General **Antonio Guterres** and other top diplomats of the United Nations Security Council (UNSC) member states to **commemorate the International Year of Millets 2023** (IYM 2023).

The External Affairs minister was in New York to chair two key UNSC debates being held under the [Presidency of India](#). India is the President of the UNSC for the month of December 2022. India's 2 year term as the non -permanent member of the UNSC ends on **31 December 2022**.

The United Nations General Assembly at its 75th session in March 2021, had adopted an Indian sponsored resolution to declare 2023 as the International Year of Millets.

In his message at the opening ceremony of the International Year of Millets at [Rome](#), the Prime Minister Narendra Modi had said that "India will steer the IYM 2023 celebrations worldwide and organise campaigns to promote the cultivation and consumption of millets,"

Millet is one of the oldest known foods to humans .They are called a superfood as they are rich in nutrients such as copper, magnesium, phosphorus, and manganese. They are low on glycaemic index.

2. Opening Ceremony of International Year of Millets 2023 held in Rome, Italy (Dec. 7, 2022)

The United Nations agency Food and Agriculture Organization (FAO) hosted an opening ceremony of the International Year of Millets – 2023 (IYM2023) in **Rome, Italy** on 6 December 2022 in a hybrid mode.

An Indian delegation led by **Shobha Karandlaje**, Minister of State, Agriculture & Farmers Welfare along with other senior officials were present at the opening ceremony.

Shobha Karandlaje conveyed PM Modi's compliments to the United Nations for declaring the Year 2023 as the International Year of Millets. PM, through his message, thanked the global community for supporting India's proposal to mark the International Year of Millets (IYM).

PM Modi said that "India will steer the IYM2023 celebrations worldwide and organise campaigns to promote the cultivation and consumption of Millets, both in India and abroad during the next year."

Speaking on the occasion, Director General, FAO Mr. QU Dongyu said the IYM2023 will provide us with a unique opportunity to give visibility to crops that have great potential to strengthen global nutrition, food security.

Millets and India

According to the Food and Agriculture Organisation (FAO), India is the largest producer of millet in the world.

- The total production of millets in India in 2020-21 was 17.96 million tonnes which was nearly 41% of the world production.
- **Rajasthan** was the largest millet producing state in India.
- Millets are grown in about 21 states in the country including Karnataka, Andhra Pradesh, Tamil Nadu, Kerala, Telangana, Uttarakhand, Jharkhand, Madhya Pradesh, and Haryana.
- India was **the 5th largest exporter of millet** in the world in 2020 .

FAO (Food and Agricultural Organisation)

- The Food and Agriculture Organization of the United Nations is a specialized agency of the United Nations that leads international efforts to defeat hunger and improve nutrition and food security.
- It was founded in 1945.
- Its headquarters is in Rome (Italy).
- It was conferred with the Nobel Peace Prize in 2020

Director General: QU Dongyu
