1. NGT fines Delhi government Rs 900 crore for its failure in 'solid waste management' (Oct. 12, 2022)

The [National Green Tribunal](#) (NGT) in an order passed on 12 October 2022 has ordered the Delhi government to pay **Rs 900 crore** as environmental compensation for improper management of solid municipal waste, stating that "citizens cannot be faced with an emergency situation due to lack of governance."

The NGT bench heard by **Justice Adarsh Goel** held the Delhi government responsible for not taking remedial steps to deal with the solid waste at the three landfills sites of Delhi- Ghazipur, Bhalswa, and Okhla .

The Bench said that there was continuous emission of methane and other harmful gasses along with groundwater contamination which posed a direct threat to the environment and people of Delhi.

The Bench directed the Delhi government to deposit the fine amount in a separate account which will be used by the Delhi Chief Secretary to for restoration of the environment by remediation of waste and other measures.

The NGT is monitoring compliance of Municipal Solid Waste Management Rules, 2016, and other environmental issues by states and Union territories.

National Green Tribunal

- It deals with cases relating to the environment protection and conservation of forest.

Chairperson : Justice Adarsh Kumar Goel

2. NGT fines Telangana government 3,800 crore rupees for improper waste management (Oct. 1, 2022)

The [National Green Tribunal](#) (NGT) in an order delivered on 1 October 2022 has imposed a penalty of ₹3,800 crore on the Telangana government for its failure to treat solid and liquid waste.

A bench headed by **NGT Chairperson Justice A K Goel** said huge gaps exist in the management of solid and liquid waste in the southern state.

Providing clean air, water, hygiene and environment have to be the top priorities for good governance, the bench said, adding that the state could not avoid its constitutional responsibility of providing a pollution-free environment.

The NGT said compliance would be the chief secretary's responsibility and directed him to file progress reports every six months.

The NGT is monitoring compliance with the Municipal Solid Waste Management Rules, 2016 and other environmental aspects by the states and Union territories.

National Green Tribunal was established in 2010 under the National Green Tribunal Act 2010. It deals with matters related to environmental protection and conservation of forest. Its headquarter is in **New Delhi**.

3. Punjab fined Rs 2180 crore by the NGT for its failure to treat waste (Sept. 23, 2022)

The National Green Tribunal (NGT) has imposed a penalty of Rs 2,180 crore on the Punjab government for its failure to treat solid and liquid waste, leading to a huge gap in their generation and treatment.

A bench headed by NGT Chairperson **Justice AK Goel** said corrective action could not wait for an indefinite period and health issues could not be deferred for long.

It said the compliance of environmental norms on the subject of waste management had to be high on priority. The government has to provide funds for this purpose.

It asked the state government to deposit the fine amount in a separate fund which will be used to build infrastructure for treatment of waste.

The NGT is monitoring compliance of Municipal Solid Waste Management Rules, 2016, and other environmental issues by states and Union territories.
