Meghalaya Government launches 'Asia's first Drone delivery hub

The **Meghalaya government** in partnership with Startup **TechEagle** has unveiled Asia's first drone delivery hub and network Meghalaya **Drone Delivery Network (MDDN)**, which is aimed at providing universal access to healthcare for the people in the state.

The **Meghalaya Drone Delivery Network (MDDN)** project is aimed at delivering vital supplies like drugs, diagnostic samples, vaccines, blood and blood components quickly and safely to different regions of the state using a dedicated drone delivery network.

The first official drone flight took off from Jengjal Sub Divisional Hospital on 5 December 2022, which acts as the hub, and delivered medicines to Padeldoba primary health centre in less than 30 minutes, which would otherwise have taken 2.5 hours by road.

It expected that the Meghalaya Drone Delivery Network (MDDN) would bring universal access to healthcare for 2.7 million people of Meghalaya.

Now with the help of drones, it will be possible to overcome the problem of lack of visibility, high delivery costs, outdated technology and inaccessibility through roads and railway networks and deliver better healthcare facilities to people of Meghalaya.
