6. **BJP wins eight out of 16 Rajya Sabha seats while Congress bags five seats**

16 June 2022

- The BJP has won eight out of 16 seats in the Rajya Sabha, while the Congress party has won five seats. The remaining three seats were won by independent candidates.
- The BJP's victory in the Rajya Sabha is a significant setback for the Congress party, which had hoped to win a majority of seats.
- The BJP's win is seen as a reflection of the party's popularity in rural areas and among the elderly population.
- The Congress party's defeat is a blow to its leadership, particularly to the Prime Minister, who has a majority in the Lok Sabha but not in the Rajya Sabha.
- The results of the election are expected to have a significant impact on the government's policies and agenda.
- The BJP's victory is a testament to its strong organizational structure and effective campaign strategy.
- The Congress party's defeat is a warning sign for the party's future in the Rajya Sabha.
- The results of the election are expected to lead to a re-evaluation of the government's policies and agenda.
